### STEYsha School of Irish Dance Rules

1. To register, you will fill in the form attached to the Rules. Registration is equivalent to declaring that the new student is medically fit for sustained physical activity.
2. The information provided upon registration will only be used within the school, with the sole purpose of facilitating the student's activity in the school. The student's personal information will not be shared with any third party, except in very isolated cases and only with the student's explicit consent and it will be updated through yearly re-registration.
3. The student's phone number, e-mail address and the Facebook account listed on the registration form will be used for school - student communication. The student can opt out of receiving any messages of general interest for the school, thus assuming that they are limiting their own access to this information.
4. The filled-in form and signed rules need to be sent in advance via e-mail or are handed personally at the dance studio before the first class. When registering, the new student receives a student card used for keeping track of their monthly payments.
5. Each year, the students will fill-in a new re-registration form for the season *current September – next September*. There is a non-refundable registration and re-registration fee of 25 RON per dancer/family.
6. At the beginning of each month, the student will pay the **fixed fee** according to the frequency they opt for. **The monthly fee is compulsory, non-refundable and non-negotiable.** If, for reasons that are not due to the school, the student misses classes, **the fee is not reported** to the next month. The monthly fee is **non-transmissible**, even within the same family.
7. **In order to choose the right fee, consider the following: frequency and class = 60 minutes.** So, if a dancer only does soft shoes with a once a week frequency, they will pay the fee for one weekly class. A dancer doing both soft shoes and hard shoes, with a once a week frequency will pay the monthly fee for two weekly classes.
8. **The fee is paid in cash or by bank transfer on the first day of the month, no later than the 10<sup>th</sup> of the month. Otherwise, there will be a late fee of 25 RON per person/ family,** and the dancer will only be able to assist and not actively participate in class until payment is done. Asociația "STEYsha School of Irish Dance" functions through self-funding. Failure to comply with the payment deadlines and rules may lead to difficulties in the proper functioning of the school and may affect the class schedule.
9. If the dancer cannot attend classes, they must inform the school at least 2 hours ahead of class time. **Missing classes does not allow the payment to be carried out (reported) to the next month. Announcing they would miss class, allows the student to recover** the number of missed classes within the next month. **Missing unannounced does not allow class recovery. Missing 4 or more consecutive classes leads to the automatic deactivation of the student** (removal from the communication lists and from any future events they had already enrolled in) and requires re-registration and payment of the re-registration fee once the student decides to come back to class.
10. The school continues its activity throughout summer. The same frequency and fee rules apply.
11. The classes are 45 minutes long in the case of Mini-Irish and 60 minutes long in the case of all other classes and students need to be in the dance studio at least 10 minutes before class-time.
12. Sports attire is compulsory: school T-shirt/ plain T-shirt/ top, skirt/ skort/ shorts/ decent tights, black canvas ballet slippers/ soft shoes and heavy shoes. **No street clothes and no neon colours or stripped patterns. Parents of little ones are asked not to leave them only in their underwear as class attire, as well as change them only in the changing areas.** For the dancer's thermal comfort, their class attire needs to be in accordance with the seasons.
