The schedule can be changed along the way, based on how the national situation evolves.

There is a 30/15 minutes break between classes for studio cleaning.

All classes will be held for a minimum of 2 dancers, maximum 9. Until we will get back to a normal schedule, absolutely all students have to confirm their class attendance each day. Attendance confirmation will be done each morning through phone-call or Whatsapp message. For Saturday classes, the confirmation will be done on Friday.

Any other studio private classes are scheduled around the class times on Monday, Tuesdays, Thursdays and Fridays.
